## STELLAR Opportunities during Conclave

The following are descriptions of the different events during Conclave. A complete schedule will be handed out in the folder you will receive at registration.

### General Workshops:

#### *Houston We Have a Problem* - Conflict Mediation

No matter how hard you may try, problems are inevitable. This workshop will help your chapter learn how to resolve conflicts when they occur, create a good policy for mediation procedure to ensure a quick and fair resolution and learn how to use chapter resources such as advisors and the exec board in such a situation.

#### *I Have 12% of a Plan* - Planning Large Services

Ever want to plan a huge service project but don't know where to start? Want to improve large services run by your chapter? This is the workshop for you! Learn about the importance of starting early and planning. Discover how to keep your whole chapter involved and work with other organizations to ensure success. The planning skills taught in this workshop are a great basis for any project both inside APO and out.

#### *That's no Moon, It's a Service Fraternity!* - Chapter PR

Making APO known around campus is essential for recruitment and maximizing your chapter's service efforts. Recruitment is short but keeping APO in the spotlight is always important. Learn how to spread the word about APO using social media and other means. Learn how to explain APO to your friends.

#### *I am the Senate*- Chapter Leadership Positions

Every chapter has a different leadership structure. Learn what works well for the exec board and beyond. Is your chapter growing or shrinking? Learn how to change your leadership structure to reflect changes in chapter size. Discuss the different styles used by each chapter.

#### *The Federation needs You!* - Recruitment/Rush

Recruitment is essential to keeping your chapter alive. Communication skills are key. Learn to draw people over while table sitting, how best to communicate what APO is and convince people to give it a try. After, learn about some fun event ideas to further draw in potential members

#### *Diplomatic Mission to Alderaan* - Working with Other Chapters

Want to work with brothers from other chapters? This workshop is about having fellowships and services with other chapters. Learn how to invite with other chapters, coordinate rides, and have high attendance from both sides.

### *We are Groot* - Working with Other Campus Organizations

Joint services and fellowships are a great way to bond, spread PR, and better the community with other organizations. This workshop will focus on sharing manpower and resources of APO and other campus organizations. Learn about having services and fellowships with groups such as Social and Honor Fraternities and Sororities, charity groups such as Habitat, and religious groups.

### *Trip to Mars Kickstarter* - Chapter Funding

Is your chapter a little short on cash? Learn about fundraising, reasonable dues, and budgeting for your chapter. There are a lot of great options for raising money such as selling food and stress balls.

### *FellowShip* - Fellowship for Retention

Friendship is one of the pillars of APO but is sometimes overlooked. Good fellowships are essential to building bonds and high retention rates. Learn a wide variety of inexpensive fellowship ideas to engage people of varying interests. Make sure that brothers are attending fellowships because they want to, not because they need to.

### *Everyday in Service*- Weekly Services

Weekly Services are an easy way to increase the service opportunities of your chapter. This workshop will provide ideas for these services and how to maintain them. Learn to maximize chapter attendance by having flexible times.

### *Padawan-Master Pairing* - Big-Little Pairing

Time to match some Bigs and Littles! Learn fun ways to help brothers and pledges to get know each other. Then discuss the best ways to make matches that will last. Talk about how Co-Bigging and Twins can help get more people involved and balance the numbers. Finally, you will learn how to resolve pairings that go wrong.

### *Maintaining the Home Planet*- Service to the Brotherhood and Campus

Service to the Brotherhood and Campus are the more elusive fields to obtain. This workshop will discuss service ideas in these two fields to ensure your chapter can cover them.

### *To Infinity and Beyond!* -APO & Going Abroad

Many brothers will go abroad during their time in APO. Learn how to keep away brothers involved in the chapter using proxy voting, cards, and other methods. Next, learn how to introduce all the new brothers/pledges to away brothers upon their return.

### *The Galactic Alliance*-Creating a Diverse and Inclusive Chapter

Keeping our chapters welcoming to everyone on campus is a core principle of APO. With this workshop learn to recruit a diverse pledge class. Modify your rituals to include people of all backgrounds. Finally, offer a wide variety of services and fellowships to retain members of all types.

### *Take Me to your Leader -Officer Transitions*

Smooth transitioning and planning ahead are essential to having a good semester. Learn how to transition your chapter officers, write good transition documents, and plan out your exec board's goals for each term.

### *Nuts & Bolts of a Good Chapter*

Chapter meetings keep APO running. Sometimes they may either go long or leave out important information. Learn good ways to run meetings, what to include, and how long they should be. Also learn about Robert's rules, voting procedure, and elections!

### *There's Always a Bigger Fish -Networking to Regionals & Nationals*

Ever wanted to go to Regionals or Nationals but can't pull together the resources? Learn how to organize fundraising, housing, and transport. Working with nearby chapters can be essential if you have a small chapter. Finally, discuss how to encourage brothers to attend.

### *I Have a Bad Feeling About This -Risk Management*

This workshop is about general good chapter practices for preventing and dealing with problems. It will especially focus on what policies chapters should have in order to prevent risks and how to deal with borderline behavior.

### *Chewie, We're Home -Region Realignment*

Have you heard that the regions of APO will be changing during National Convention 2018? Come hear this discussion on the upcoming changes, how changes will be taking place, and what this means for you and your section.

## **Come to the Dark Side, We Have Cookies- Alumni/ Senior Workshops:**

The following workshops are geared towards graduating seniors and alumni, but all are welcome unless otherwise noted.

### *Exploring a New Horizon* -Senior/New Graduate Reception

Meet your fellow new and soon-to-be alumni, have a sweet treat, and find out about the different ways to stay involved with APO after graduation. No matter if staying local or moving across the country, there's always a way to stay in touch with the Fraternity.

### *Teaching Padawans* -Discover Content Training

Interested in becoming a presenter for the APO LEADS - Discover course? Join this opportunity to practice facilitating a Discover course before stepping out in front of students. \*Participants must pre-register and have successfully completed Basic Skills prior to this course. Limited to alumni brothers only.

### *Stay on Target!* - Budgeting After College

Are you struggling to figure out how to create a budget for your life expenses? Do you need help making the most of tools like Excel or Mint.com? This workshop will talk about key parts of creating your own personal budget and trying to stick with it. We will explore some of the tools that can help make this easier.

### *Captain's Log* -APO on Your Resume

You've done some amazing things during your time as an APO brother thus far, now how can you parlay these experiences into a job offer or graduate school acceptance? Hear how to make your resume stand out from the pile and translate your APO experiences into industry-desired skills.

### *Luke, there is another* -Sponsor Training

APO is always looking for volunteers willing to help grow the Fraternity, will you accept the challenge? This overview of the extension sponsor role is an excellent starting point for anyone interested in mentoring a student group as they progress towards chartering or re-chartering a chapter.

## **APO LEADS Courses:**

**LAUNCH:** You've found the right LAUNCH-ing pad to launch yourself into the LEADS series! This course focuses on explaining exactly what it is that makes chapters' leadership effective and covers the differences between the traditional notion of leadership and the evolving concept of servant leadership.
